The screenshot displays the AZENTIO ONEBanking interface. The top navigation bar includes the AZENTIO ONEBanking logo, a search bar, and several utility icons (mail, calendar, notifications, grid). The main navigation menu on the left lists Dashboard, Configurations, Transactions, and Reports. The breadcrumb trail at the top of the content area shows: Prev > Customer details > Additional Customer Info > Customer Financials > Facility Info > Document Details > Offering > Next. The current page is titled "Customer Personal Information". It features a search bar with the value "241" and an "Export" button. Below this is a table with the following columns: Select, Action, CIF ID, First Name, Middle Name, Last Name, Customer Type, Applicant Type, and Status. The table contains one entry with the following data: Select (radio button), Action (edit and eye icons), CIF ID (testerE), First Name (mname), Middle Name (lname), Last Name (I), Customer Type (P), Applicant Type (Active), and Status (Active). At the bottom of the table, it says "Showing 1 to 1 of 1 entries" with pagination controls for page 1 of 5.
