The screenshot shows the Azentio Product Master interface. On the left is a dark blue sidebar with the Azentio logo and a list of menu items: Asset Collateral Config, Business Rules, Corporate Masters, Misc Config, Other Masters, Product Definitions, Product Setup, Asset Auto Master, Asset CD Master, Product master (highlighted), Sub Product Master, Regulatory Product Defini..., Project Setup, and Config Manager. The main area displays a table of product entries. The table has columns for Action, Product Group, Product Code, Product Description, Retail/Corporate, and Status. Five entries are visible, all with a status of 'Active'. At the bottom of the table, it says 'Showing 1 to 5 of 68 entries' with pagination controls. A search bar and an 'Export' button are at the top right of the table area.

Action	Product Group	Product Code	Product Description	Retail/Corporate	Status
	98303249	PMR	Standard home loan - kuls	R	Active
	98303249	AHL	Standard Home Loan - KUBS	R	Active
	98303249	HL3	Home Loan - Standard	R	Active
	98303249	HFL	Housing Finance LTD	R	Active
	98303249	TTM	Corporate TTM	R	Active

(Step) AFTER_STEP - stepdefinitions.

(S) Product Master Retail Field validation

(F) Product Master Retail Functionality

The screenshot shows the Azentio Product Master form view. The sidebar is the same as in the previous screenshot. The main area is a form titled 'Product Master'. It has fields for Product Group (a dropdown menu with 'Lending' selected), Product Code (a text input with 'PP'), Product Description (a text input with a file upload icon), Retail/Corporate (a dropdown menu with 'Select'), DM Code (a text input), and Remarks (a large text area). There are red asterisks next to Product Group, Product Code, and Product Description, indicating required fields. A back arrow is at the top left, and a save icon with a red notification bubble is at the top right.
