The screenshot shows the Azentio Product Master interface. On the left is a dark blue sidebar with the Azentio logo and a list of navigation items: Asset Collateral Config, Business Rules, Corporate Masters, Misc Config, Other Masters, Product Definitions, Product Setup, Asset Auto Master, Asset CD Master, Product master (highlighted), Sub Product Master, Regulatory Product Defini..., Project Setup, and Config Manager. The main content area has a top header with a hamburger menu, language (English), LOS, Azentio Software, and user profile (Puneet, 01-Sep-2023). Below the header is a 'Product Master' section with a search bar containing 'depo30' and an 'Export' button. A table lists product entries with columns: Action, Product Group, Product Code, Product Description, Retail/Corporate, Status, and Authorization Status. One entry is visible: Product Group 'Deposits', Product Code 'depo30', Product Description 'desc11', Retail/Corporate 'R', Status 'Active', and Authorization Status. Below the table, it says 'Showing 1 to 1 of 1 entries' with pagination controls. At the bottom, there is a dark blue bar with the text 'Please fill all the details'.

The screenshot shows the Azentio Product Master form view. The sidebar is the same as in the previous screenshot. The main content area has a top header with the same navigation and user profile. Below the header is a 'Product Master' section with a search bar containing 'depo30' and an 'Export' button. The form contains several fields: Product Group (Deposits), Product Code (depo30), Product Description (blank), Retail/Corporate (Retail), DM Code (depo30), Status (toggle switch), and Remarks (depo30). There are 'Submit', 'Cancel', and 'Add' buttons at the top right. At the bottom, there is a dark blue bar with the text 'Please fill all the details'.
