The screenshot displays the Azentio Software web application. On the left is a dark blue sidebar with the 'AZENTIO' logo at the top. Below the logo are three icons: a wrench, a puzzle piece, and a document. A list of menu items follows, each with a circular icon: Asset Collateral Config, Business Rules, Corporate Masters, Misc Config, Other Masters, Product Definitions, Product Setup, Regulatory Product Defini..., Project Setup, Config Manager, and Sample Screens. The main content area is a light blue rectangle. At the top of this area is a header bar containing an envelope icon, 'English' with a dropdown arrow, 'LOS' with a dropdown arrow, 'Azentio Software' with a dropdown arrow, a grid of dots icon, a bell icon, a user profile icon for 'Puneet' with the date '01-Sep-2023', and a small dark icon. In the bottom right corner of the main content area, there is a dark blue circular button with a white gear icon. The bottom of the page shows a footer with the Metabase logo and the text 'Powered by Metabase'.

(F) Check the functionality of product
master

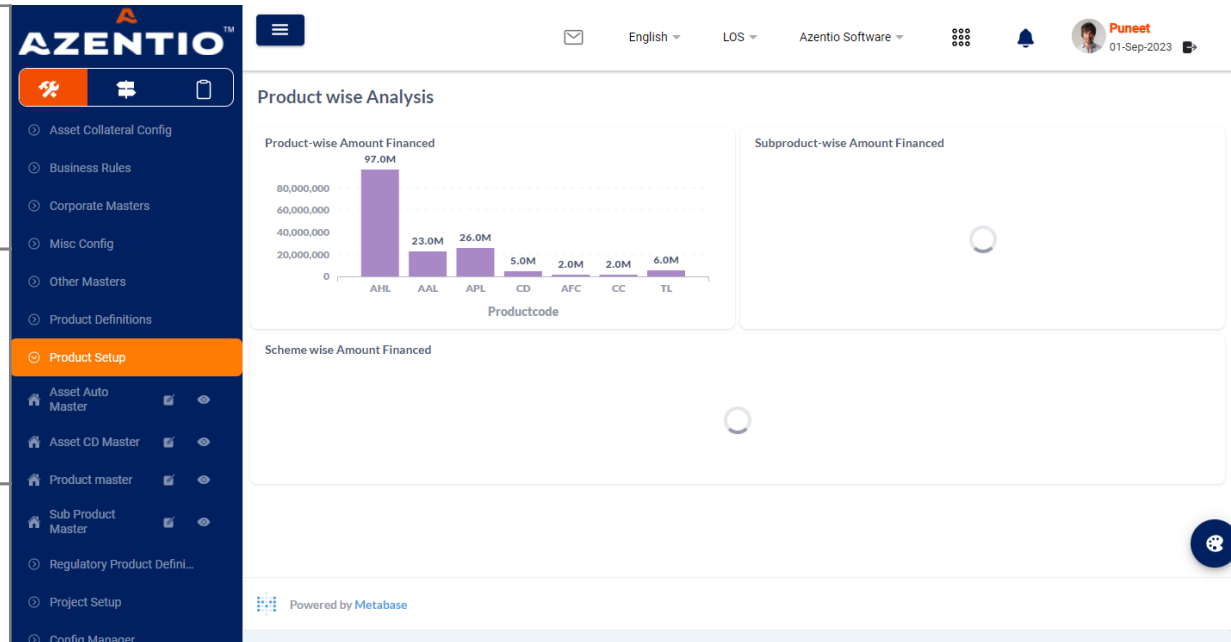

This screenshot is identical to the one above, showing the Azentio Software interface. The main content area is currently displaying a loading spinner, which is a blue circle with a white dot in the center, and the text 'Loading...' below it. The sidebar, header, and footer elements are the same as in the previous screenshot.
