The screenshot displays the AZENTIO ONEBanking interface. The top navigation bar includes a hamburger menu, the AZENTIO ONEBanking logo, and user profile information (Engl..., LOS, Aze..., and a user avatar). Below the navigation bar is a breadcrumb trail: Prev > Application Info > Customer details > **Additional Customer Info** > Customer Financials > Facility Info > Document Det > Next. The main heading is "Customer Personal Information". Below this is a table with columns: Select, Action, CIF ID, First Name, Middle Name, Last Name, Customer Type, Applicant Type, and Status. The table contains one entry with CIF ID "testerE", First Name "mname", Last Name "lname", Customer Type "I", Applicant Type "P", and Status "Active". The table has a pagination bar at the bottom showing "Showing 1 to 1 of 1 entries" and a page selector with "1" selected and "5" as the total pages. A blue circular button with a white icon is visible in the bottom right corner of the interface.
