The screenshot shows the 'Asset Auto Master' section of the AZENTIO ONE Banking application. It features a table with multiple rows and columns, each containing placeholder text represented by horizontal bars. The table is part of a larger interface that includes the same sidebar menu as the previous screenshot. The top right corner shows the same user interface elements: a search bar, language selector (Engl...), location selector (LOS), and a user profile icon.

(F) Check the functionality of Asset Model Master
