(Step) AFTER_STEP - stepdefinitions.
HooksClass.addScreenshot(io.cucumber.
java.Scenario)

(S) To verify user is able to add new
Customer Information record in the
system by entering invalid data

(F) Title of your feature

The screenshot displays the AZENTIO ONEBanking application interface. The top navigation bar includes the date '31-Jan-2023', a calendar icon, an email icon, a grid icon, and dropdown menus for 'Eng...', 'LOS', and 'Cen...'. A user profile icon is visible in the top right corner. The main content area is titled 'Inbox' and features a search bar with the value '2971'. Below the search bar is a table with the following columns: Action, Reference Id, Client Name, Event, Workflow, Employee, Stage Description, Role Code, Created Date, and Approver Role. The table contains one row with the following data: Action (represented by a small icon), Reference Id (2971), Client Name (Gowtham), Event (Loan Application), Workflow (Ijara Auto Retail work Flow), Employee (in02040), Stage Description (New Application), Role Code (BREXEC), Created Date (01-Sep-2023), and Approver Role (empty). At the bottom of the table, it says 'Showing 1 to 1 of 1 entries' with navigation arrows and a page size dropdown set to '10'. A blue circular button with a white icon is located in the bottom right corner of the application area.

(Step) AFTER_STEP - stepdefinitions.
HooksClass.addScreenshot(io.cucumber.
java.Scenario)

(S) To verify user is able to add new
Customer Information record in the
system by entering invalid data

(F) Title of your feature

The screenshot displays the AZENTIO ONEBanking application interface. The top navigation bar is identical to the previous screenshot. The main content area shows a tabbed interface with three tabs: 'Application Details', 'Customer details' (which is currently selected), and 'Additional Customer Info'. The 'Customer details' tab is active, but the content area below the tabs is empty. A blue circular button with a white icon is located in the bottom right corner of the application area.
