The screenshot shows the Azentio Product Master interface. On the left is a dark blue sidebar with the Azentio logo and a list of navigation items: Asset Collateral Config, Business Rules, Corporate Masters, Misc Config, Other Masters, Product Definitions, Product Setup, Asset Auto Master, Asset CD Master, Product master (highlighted), Sub Product Master, Regulatory Product Defini..., Project Setup, and Config Manager. The main content area has a header with a hamburger menu, language (English), LOS, Azentio Software, and user profile (Puneet, 01-Sep-2023). Below the header is a 'Product Master' section with a search bar and an 'Export' button. A table lists products with columns: Action, Product Group, Product Code, Product Description, Retail/Corporate, Status, and Authorization Status. The table contains five rows of data, all with 'Active' status. At the bottom, it says 'Showing 1 to 5 of 140 entries' with pagination controls.

Action	Product Group	Product Code	Product Description	Retail/Corporate	Status	Authorization Status
	98303275	desc22		R	Active	MAKER
	98303275	desc21		R	Active	MAKER
	98303249	LHL		R	Active	
	98303275	desc19		R	Active	
	98303275	desc18		R	Active	

(Step) AFTER_STEP - stepdefinitions.

java.Scenario)

(S) Product Master - Modify records
(approve, reject and return) at maker
stage

(F) Check the functionality of product
master

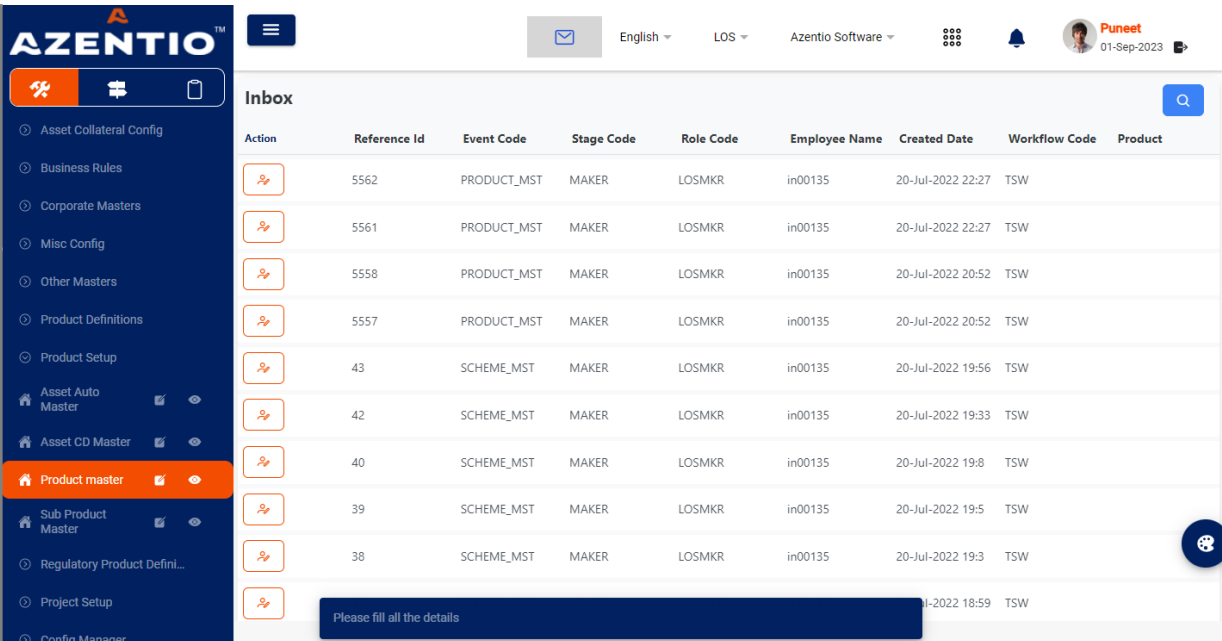

The screenshot shows the Azentio Product Master form for editing a record. The sidebar is the same as in the previous screenshot. The main content area has a header with a hamburger menu, language (English), LOS, Azentio Software, and user profile (Puneet, 01-Sep-2023). Below the header is a 'Product Master' section with a back button and a 'Product Master' title. The form contains several fields: Product Group (Deposits), Product Code (desc21), Product Description (empty), Retail/Corporate (Retail), DM Code (desc21), Status (toggle switch), and Remarks (desc21). There are 'Submit', 'Cancel', and 'Info' buttons at the top right. A 'Required field' label is next to the Product Description field. At the bottom, there is a blue button that says 'Please fill all the details'.

(Step) AFTER_STEP - stepdefinitions.

stage

(F) Check the functionality of product
master

The screenshot shows the Azentio Product Master form. The left sidebar contains a navigation menu with options like Asset Collateral Config, Business Rules, Corporate Masters, Misc Config, Other Masters, Product Definitions, Product Setup, Asset Auto Master, Asset CD Master, Product master (highlighted), Sub Product Master, Regulatory Product Defini..., Project Setup, and Config Manager. The main form area has fields for Product Group (Deposits), Product Code (desc22), Product Description, Retail/Corporate (Retail), DM Code (desc22), and Status (toggle). A Remarks field contains 'desc22'. An 'Action confirmation' dialog is open, showing a 'SUBMIT' button and options: ok, immediate, new record, modified, before, and on behalf. The dialog also has a 'Close X' button and a 'Please Enter Remarks' prompt.

(Step) AFTER_STEP - stepdefinitions.
