15	Then click on submit button	SKIPPED	0.001 s

(F) Check the functionality of product master

The screenshot displays the Azentio Software web application. The top navigation bar includes the Azentio logo, user profile information (Puneet, 01-Sep-2023), and various utility icons like mail, language (English), location (LOS), and software version (Azentio Software). A dark blue sidebar on the left contains a menu with options such as Asset Collateral Config, Business Rules, Corporate Masters, Misc Config, Other Masters, Product Definitions, Product Setup, Regulatory Product Defini..., Project Setup, Config Manager, and Sample Screens.

Product wise Analysis

The main content area features three large, empty white boxes arranged in a grid:

- Product-wise Amount Financed**: Located at the top left.
- Subproduct-wise Amount Financed**: Located at the top right.
- Scheme wise Amount Financed**: Located at the bottom center, spanning the width of both top boxes.

Each box contains a single light gray circle in its center, indicating that no data has been loaded or displayed yet. At the bottom of the page, there is a footer stating "Powered by Metabase".
