The screenshot shows the Azentio web application interface. On the left is a dark blue sidebar with the Azentio logo and a menu of options: Asset Collateral Config, Collateral, Collateral sub type, Collateral type, Business Rules, Corporate Masters, Misc Config, Other Masters, Product Definitions, Product Setup, Regulatory Product Defini..., Project Setup, Config Manager, and Sample Screens. The main content area is titled 'List of Asset/Collateral categories' and features a search bar, an 'Export' button, and a table with columns: Action, Asset/Collateral Category Code, AssetCollateral Category Description, Created By, and Status. Below the table is a form for editing a category, with fields for Description, Asset / Collateral Category Code, Module (a dropdown menu), Remarks, Registration Required (a toggle switch), and Repossession Allowed (a toggle switch). The user profile 'Puneet' with the date '01-Sep-2023' is visible in the top right corner.

(Step) AFTER\_STEP - stepdefinitions.  
HooksClass.addScreenshot(io.cucumber.  
java.Scenario)

(S) collateral - to check the functionality of  
list view buttons of approved records

(F) collateral Functionality

This screenshot shows the same Azentio web application interface as the previous one, but in list view mode. The sidebar and top navigation are identical. The main content area displays the 'List of Asset/Collateral categories' table with five rows of data. Each row includes an 'Action' column with edit and delete icons. The table data is as follows:

Action	Asset/Collateral Category Code	AssetCollateral Category Description	Created By	Status
[edit][delete]	1002	ok	in00135	Active
[edit][delete]	AUTOLT	Auto Lite	in00135	Active
[edit][delete]	CCE	Cash and Cash Equivalents	in00135	Active
[edit][delete]	TYPE789	ASSETEX	in02256	Active
[edit][delete]	FD	Fixed Deposits	in00135	Active

Below the table, there is a pagination bar showing 'Showing 1 to 5 of 51 entries' and a set of navigation buttons (first, previous, 1, 2, 3, 4, 5, next, last). The '1' button is highlighted. A search bar with the text 'AUTOLT' and an 'Export' button are located at the top right of the table area. The user profile 'Puneet' and date '01-Sep-2023' are still visible in the top right corner.
