the record

(F) Product Master Retail Functionality

The screenshot displays the Azentio Software web application. The left sidebar is dark blue with the Azentio logo at the top. Below the logo is a menu with icons for various settings: Asset Collateral Config, Business Rules, Corporate Masters, Misc Config, Other Masters, Product Definitions, and Product Setup (which is highlighted in orange). The main content area is white and shows a large blue circular loading spinner with the text "Loading...". At the bottom of the sidebar, there are links for Regulatory Product Defini..., Project Setup, and Config Manager. The top right of the interface shows a user profile for Puneet, dated 01-Sep-2023, along with language (English) and location (LOS) dropdowns, and a link to Azentio Software.

the record

(F) Product Master Retail Functionality

This screenshot shows the Azentio Software interface with the "Product master" section selected in the sidebar. The sidebar menu includes Asset Auto Master, Asset CD Master, Product master (highlighted in orange), Sub Product Master, Regulatory Product Defini..., Project Setup, and Config Manager. The main content area is a light gray, indicating that the data for the selected section is not yet loaded. The top right of the interface shows the user profile for Puneet, dated 01-Sep-2023, and other navigation elements like language and location dropdowns.

The screenshot displays the Azenzio mobile application interface. At the top, the Azenzio logo is visible, consisting of an orange stylized 'A' icon followed by the word 'AZENTIO' in white capital letters on a dark blue background. Below the header is a navigation bar with three white icons on a dark blue background: a wrench and screwdriver, a plug, and a document. The main content area has a dark blue background and lists several configuration options, each preceded by a white circular icon containing a dot. The options are: 'Asset Collateral Config', 'Business Rules', 'Corporate Masters', 'Misc Config', 'Other Masters', 'Product Definitions', and 'Product Setup'. Below these, there are three rows of items, each with a white icon, a text label, a white document icon, and a white eye icon. The first row shows a building icon, the text 'Asset Auto Master', a document icon, and an eye icon. The second row shows a building icon, the text 'Asset CD Master', a document icon, and an eye icon. The third row shows a building icon, the text 'Product master', a document icon, and an eye icon. This third row is highlighted with an orange background. Below this, there is another row with a building icon, the text 'Sub Product Master', a document icon, and an eye icon. At the bottom, there are three more configuration options: 'Regulatory Product Defini...', 'Project Setup', and 'Config Manager', each with a white circular icon containing a dot.
