The screenshot shows the Azentio Product Master interface. On the left is a dark blue sidebar with the Azentio logo and a list of navigation items: Asset Collateral Config, Business Rules, Corporate Masters, Misc Config, Other Masters, Product Definitions, Product Setup, Asset Auto Master, Asset CD Master, Product master (highlighted), Sub Product Master, Regulatory Product Defini..., Project Setup, and Config Manager. The main content area has a top header with a hamburger menu, language (English), location (LOS), software (Azentio Software), and user profile (Puneet, 01-Sep-2023). Below the header is a 'Product Master' section with a search bar and an 'Export' button. A table lists product entries with columns: Action, Product Group, Product Code, Product Description, Retail/Corporate, and Status. The table contains five rows of data, all with 'Active' status. At the bottom, there is a pagination bar showing 'Showing 1 to 5 of 68 entries' and a page selector with '1' highlighted. A blue circular icon with a gear symbol is visible in the bottom right corner.

The screenshot shows the Azentio Product Master form view. The sidebar is identical to the previous screenshot. The main content area has a top header with the same navigation and user information. Below the header is a 'Product Master' section with a back arrow and a help icon. The form contains several fields: Product Group (dropdown menu with 'Lending' selected), Product Code (text input with 'PP'), Product Description (text input with 'OK'), Retail/Corporate (dropdown menu with 'Retail' selected), DM Code (text input with 'Loan01'), and Remarks (text area with 'Loaninfo'). A blue banner at the bottom of the form states 'Alphanumeric characters allowed'. At the very bottom, there is a grey button labeled 'Please fill all the details'.
