(S) To verify the view workflow

(F) Product Master Retail Functionality

The screenshot displays the Azentio Software interface. The top navigation bar includes a hamburger menu, language selection (English), location selection (LOS), and the software name (Azentio Software). The left sidebar menu lists various configuration options: Asset Collateral Config, Business Rules, Corporate Masters, Misc Config, Other Masters, Product Definitions, Product Setup, Regulatory Product Defin..., Project Setup, Config Manager, and Sample Screens. The main content area is currently blank, with a gear icon in the bottom right corner.

(Step) AFTER_STEP - stepdefinitions.

(F) Product Master Retail Functionality

The screenshot displays the Azentio Software interface with the 'Product wise Analysis' section active. The top navigation bar and left sidebar menu are identical to the previous screenshot. The main content area shows a loading spinner and the text 'Scheme wise Amount Financed'. At the bottom, it states 'Powered by Metabase'. A gear icon is visible in the bottom right corner.

(F) Product Master Retail Functionality

The screenshot shows a web application interface for the 'Product Master' form. At the top right, there are three buttons: 'Submit' (orange), 'Cancel' (white), and a help icon (white circle with an 'i'). Below these is a red button with a document icon and a green status indicator. The form title 'Product Master' is centered at the top. Below the title, there is a section header 'Product Master' with a blue underline. The form contains several input fields: 'Product Group *' with a dropdown menu showing 'Lending'; 'Product Code *' with a text input field containing 'PR14'; 'Product Description *' with a text input field containing 'Loan' and a plus icon; 'Retail/Corporate *' with a dropdown menu showing 'Retail'; 'DM Code' with a text input field; and 'Status' with a dropdown menu. The form is styled with a light gray background and white input fields.
