The screenshot displays the AZENTIO ONEBanking interface. The top navigation bar includes a search menu, a sidebar with options like Dashboard, Configurations, Transactions, and Reports, and a main header with tabs for Application Info, Customer details, Additional Customer Info, Customer Financials (selected), Facility Info, and Document Details. The Customer Financials section is active, showing three sub-sections: Customer Employment List, Income, and Financial Commitments. Each section has a search icon and a table of data. The Customer Employment List table has columns: Action, Employer Name, Nature of Employment, Employment Type, and Status. The Income table has columns: Action, Income header ID, Employer Name, Nature of Employment, Net income, Net Deduction, Considered Income, Currency, and Status. The Financial Commitments table has columns: Action, Financial Institution, Loan Amount, Installment Amount, Current Principal Balance, Tenure (months), Next Due date, Balance Outstanding, Currency, and Status. All three tables currently show "No Records found" with pagination controls.

Debt details List view

(F) To verify the impact when user keep  
any mandatory field blank and click on  
save button

This screenshot is identical to the one above, showing the AZENTIO ONEBanking interface with the Customer Financials section active. It displays the same navigation elements and three data tables: Customer Employment List, Income, and Financial Commitments. All tables indicate "No Records found" with pagination controls.

(Step) AFTER\_STEP - stepdefinitions.  
HooksClass.addScreenshot(io.cucumber.  
java.Scenario)

(S) To verify the functionality of Customer  
Debt details List view

(F) To verify the impact when user keep  
any mandatory field blank and click on  
save button

The screenshot displays the AZENTIO ONEBanking application interface. The top navigation bar includes the AZENTIO logo, a search icon, and several utility icons (mail, calendar, notifications, etc.). The main navigation menu on the left lists: Dashboard, Configurations, Transactions, and Reports. The breadcrumb trail at the top of the content area reads: Prev > Application Info > Customer details > Additional Customer Info > Customer Financials > Facility Info > Document Details > Next. The 'Customer Financials' section is active, showing three sub-sections: 'Customer Employment List', 'Income', and 'Financial Commitments'. Each section has a search icon and a '+ Add' button. The 'Customer Employment List' table has columns: Action, Employer Name, Nature of Employment, Employment Type, and Status. The 'Income' table has columns: Action, Income header ID, Employer Name, Nature of Employment, Net income, Net Deduction, Considered Income, Currency, and Status. The 'Financial Commitments' table has columns: Action, Financial Institution, Loan Amount, Installment Amount, Current Principal Balance, Tenure (months), Next Due date, Balance Outstanding, Currency, and Status. All three tables currently display 'No Records found' with pagination controls set to 5 items per page.
