The screenshot shows the AZENTIO ONEBOOKING application interface. The left sidebar is a dark blue menu with various options. The main content area is titled 'List of Living Expense Model' and features a search bar, a '+ Add' button, and a table. The table has a single row with an 'Action' column and a refresh icon. Below the table, it states 'No Records found' with pagination controls showing 5 items per page.

This screenshot is identical to the one above, showing the AZENTIO ONEBOOKING application interface with the 'List of Living Expense Model' page. The sidebar menu and the main content area (search bar, '+ Add' button, empty table, and 'No Records found' message) are the same.
