list view buttons of approved records

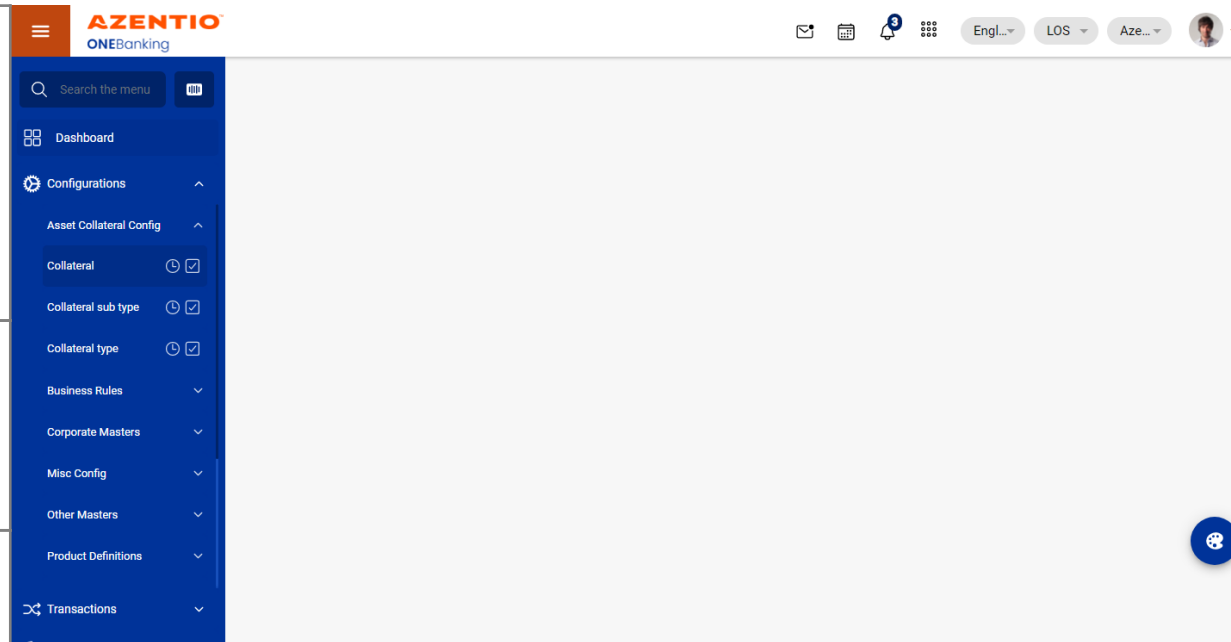

(F) collateral Functionality

The screenshot displays the AZENTIO ONEBanking application interface. On the left is a blue sidebar menu with options: Dashboard, Configurations, Asset Collateral Config, Collateral, Collateral sub type, Collateral type, Business Rules, Corporate Masters, Misc Config, Other Masters, Product Definitions, and Transactions. The main content area is titled 'List of Asset/Collateral categories' and features a table with the following data:

| Action | Asset/Collateral Category Code | AssetCollateral Category Description | Created By | Status |
|---|--------------------------------|--------------------------------------|------------|--------|
|   | FD28 | FixedDepo | in00135 | Active |
|   | FD26 | FixedDepo | in00135 | Active |
|   | FD24 | FixedDepo | in00135 | Active |
|   | 854145 | Okey | in00135 | Active |
|   | FD18 | FixedDepo | in00135 | Active |

Below the table, it indicates 'Showing 1 to 5 of 64 entries' with pagination controls for pages 1 through 5. A search bar and an 'Export' button are located at the top right of the table area.

(Step) AFTER_STEP - stepdefinitions.
HooksClass.addScreenshot(io.cucumber.
java.Scenario)

(S) collateral - to check the functionality of
list view buttons of approved records

(F) collateral Functionality

This screenshot is identical to the one above, showing the AZENTIO ONEBanking application interface with the same sidebar menu and 'List of Asset/Collateral categories' table. The table contains five rows of data, all with 'Active' status. The interface includes search, export, and pagination features.

(Step) AFTER_STEP - stepdefinitions.
