HooksClass.addScreenshot(io.cucumber.  
java.Scenario)

(S) To verify the view workflow

(F) Product Master Retail Functionality

The screenshot shows the Azentio web application interface. The top navigation bar includes the Azentio logo, a hamburger menu, and user information (English, LOS, Azentio Software, and a profile for Puneet dated 01-Sep-2023). The left sidebar contains a list of menu items: Asset Collateral Config, Business Rules, Corporate Masters, Misc Config, Other Masters, Product Definitions, Product Setup, Regulatory Product Defini..., Project Setup, Config Manager, and Sample Screens. The main content area is titled "Product wise Analysis" and displays a "Scheme wise Amount Financed" chart. The chart area is currently blank with a large circular loading spinner in the center. At the bottom of the main content area, it says "Powered by Metabase". A settings gear icon is visible in the bottom right corner of the main content area.

(Step) AFTER\_STEP - stepdefinitions.  
HooksClass.addScreenshot(io.cucumber.  
java.Scenario)

(S) To verify the view workflow

(F) Product Master Retail Functionality

This screenshot shows the same Azentio web application interface as the first one, but with data loaded in the charts. The "Product wise Analysis" section now displays three charts: "Product-wise Amount Financed" (top left), "Subproduct-wise Amount Financed" (top right), and "Scheme wise Amount Financed" (bottom). Each chart area contains a circular loading spinner, indicating that the data is still being processed or is a placeholder. The rest of the interface, including the navigation bar, sidebar, and footer, remains the same as in the first screenshot.

### Scheme wise Amount Financed

Powered by Metabase

## (F) Product Master Retail Functionality

The screenshot displays the AZENTIO™ application's user interface. On the far left is a dark blue vertical sidebar containing a menu. At the top of the sidebar is the AZENTIO™ logo. Below it are three icons: a gear, a document, and a folder. The menu items listed are:

- Asset Collateral Config
- Business Rules
- Corporate Masters
- Misc Config
- Other Masters
- Product Definitions
- Product Setup
- Product master** (highlighted in orange)
- Sub Product Master
- Regulatory Product Defini...
- Project Setup
- Config Manager

To the right of the sidebar is the main content area, which is currently blank white. At the very top of the page is a header bar. It includes a hamburger menu icon on the left, followed by language selection ('English'), currency selection ('LOS'), and software version ('Azentio Software'). On the right side of the header are icons for a grid, a bell, a user profile picture, the name 'Puneet', the date '01-Sep-2023', and a small device icon.

(Step) AFTER\_STEP - stepdefinitions.  
HooksClass.addScreenshot(io.cucumber.  
java.Scenario)

(S) To verify the view workflow

(F) Product Master Retail Functionality

The screenshot shows the Azentio Product Master interface. The left sidebar contains a navigation menu with the following items: Asset Collateral Config, Business Rules, Corporate Masters, Misc Config, Other Masters, Product Definitions, Product Setup, Asset Auto Master, Asset CD Master, Product master (highlighted), Sub Product Master, Regulatory Product Defini..., Project Setup, and Config Manager. The main content area displays a table of products with columns: Action, Product Group, Product Code, Product Description, Retail/Corporate, Status, and Authorization Status. The table contains five rows of data, all with a status of 'Active'. The bottom of the table shows pagination: 'Showing 1 to 5 of 159 entries' and a page selector with '1' selected.

Action	Product Group	Product Code	Product Description	Retail/Corporate	Status	Authorization Status
	98303249	123	123	R	Active	
	98303249	tt	uu	R	Active	
	98303249	ABC	OK	R	Active	
	98303249	PR33	Loan	R	Active	MAKER
	98303249	PR03	Loan	R	Active	MAKER

HooksClass.addScreenshot(io.cucumber.  
java.Scenario)

(S) To verify the view workflow

(F) Product Master Retail Functionality

The screenshot shows the Azentio Product Master interface with a search filter applied. The left sidebar is identical to the previous screenshot. The main content area displays a table of products with columns: Action, Product Group, Product Code, Product Description, Retail/Corporate, Status, and Authorization Status. The table contains one row of data with a status of 'Active'. The bottom of the table shows pagination: 'Showing 1 to 1 of 1 entries' and a page selector with '1' selected. The search bar at the top right contains the text 'PR33'.

Action	Product Group	Product Code	Product Description	Retail/Corporate	Status	Authorization Status
	98303249	PR33	Loan	R	Active	MAKER

(F) Product Master Retail Functionality

The screenshot displays the Azentio Product Master interface. On the left is a dark blue sidebar with the Azentio logo and a list of navigation items: Asset Collateral Config, Business Rules, Corporate Masters, Misc Config, Other Masters, Product Definitions, Product Setup, Asset Auto Master, Asset CD Master, Product master (highlighted), Sub Product Master, Regulatory Product Defini..., Project Setup, and Config Manager. The main content area is titled 'Product Master' and contains form fields for Product Group (Lending), Product Code (PR33), Product Description (Loan), DM Code, Remarks, and HomeLo. A 'Transaction summary' modal is open in the center, displaying a table with transaction details.

User	Stage Code	Status	Start Time	End Time	Remarks
in00135	MAKER	COMPLETED	23-Jul-2022 0:33	23-Jul-2022 0:33	>
in01951	CHECKER	RETURNED	23-Jul-2022 0:33	23-Jul-2022 0:34	>
in00135	MAKER	PENDING	23-Jul-2022 0:34		>

(Step) AFTER\_STEP - stepdefinitions.  
HooksClass.addScreenshot(io.cucumber.  
java.Scenario)

(S) To verify the view workflow

(F) Product Master Retail Functionality

This screenshot is similar to the one above, showing the Azentio Product Master interface. The 'Transaction summary' modal is open, but it includes an additional toggle switch labeled 'Transaction summary' with a blue indicator, positioned above the table. The table content remains the same as in the previous screenshot.

User	Stage Code	Status	Start Time	End Time	Remarks
in00135	MAKER	COMPLETED	23-Jul-2022 0:33	23-Jul-2022 0:33	>
in01951	CHECKER	RETURNED	23-Jul-2022 0:33	23-Jul-2022 0:34	>
in00135	MAKER	PENDING	23-Jul-2022 0:34		>
