master

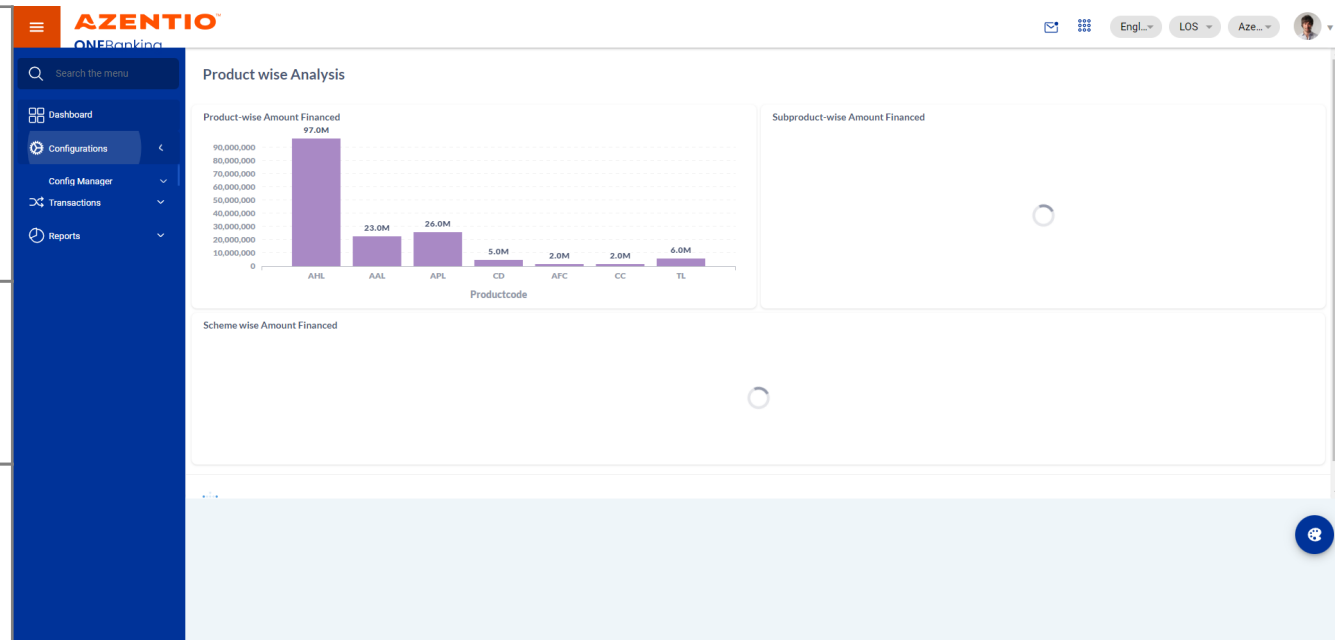

(F) check the functionality of the  
Warehouse Master

The screenshot shows the AZENTIO ONE Banking interface. On the left is a blue sidebar with a search bar and a menu containing: Dashboard, Configurations (with sub-items: Config Manager, Collateral, Warehouse Master, Collateral sub type, LO Module Waiver, Collateral type, Fee master, Asset Auto Master, Charge master, Asset CD Master, Appropriation master), Transactions, and Reports. The main area is titled 'Warehouse Master' and contains a table with 12 columns: Action, Description, Address, Country, State, City, Zip Code, Phone 1, Fax, E-mail, Contact Person, and Status. The table lists five entries, each with an eye icon in the Action column and an 'Active' status. The bottom of the table shows 'Showing 1 to 5 of 12 entries' and pagination controls for 1, 2, 3, and 5 entries per page. The top right of the interface includes a user profile, language (Engl...), and location (LOS, Aze...) dropdowns.

| Action | Description     | Address          | Country | State   | City    | Zip Code | Phone 1    | Fax        | E-mail            | Contact Person | Status |

(S) To verify list view of wareHouse  
master

(F) check the functionality of the  
Warehouse Master

The screenshot shows the AZENTIO ONE Banking interface with the 'Warehouse Master' form view. The left sidebar is identical to the previous screenshot. The main area is titled 'Warehouse Master' and contains a form with the following fields: Description (text input), Country (dropdown menu), Location (dropdown menu), Phone 1 (text input), E-Mail (text input), Address (text input), State (dropdown menu), Zip Code (dropdown menu), Fax (text input), and Contact Person (text input). The top right of the interface includes the same user profile, language, and location dropdowns as the previous screenshot.
