The screenshot shows the AZENTIO dashboard with a dark blue sidebar containing a menu with items like Asset Collateral Config, Business Rules, Corporate Masters, Misc Config, Other Masters, Product Definitions, Product Setup, Regulatory Product Defini..., Project Setup, Config Manager, and Sample Screens. The main content area is titled 'Product wise Analysis' and contains three panels: 'Product-wise Amount Financed', 'Subproduct-wise Amount Financed', and 'Scheme wise Amount Financed'. All three panels display a large circular loading spinner. The top navigation bar includes a hamburger menu, an envelope icon, language selection (English), LOS selection, 'Azentio Software', a grid icon, a bell icon, a user profile for 'Puneet' with the date '01-Sep-2023', and a dark blue circular button with a gear icon.
