The screenshot displays the AZENTIO ONEBanking web application. The top navigation bar includes the AZENTIO logo, a search bar, and several utility icons (mail, calendar, notifications, and a grid). Language and location dropdowns are set to 'Engl...' and 'LOS', and a user profile is visible. The main content area is titled 'Document Details' and features a breadcrumb trail: 'Prev' > 'omer Info' > 'Customer Financials' > 'Facility Info' > 'Document Details' > 'Offering' > 'Repayment Schedule' > 'Policy Check' > 'Next'. The 'Document Details' section contains a table with 8 columns and 5 rows of data, all represented by greyed-out placeholder text. A blue circular icon with a white play button symbol is located in the bottom right corner of the table area.
