On the left is a dark blue sidebar menu with a search bar and various navigation options: Dashboard, Configurations, Corporate Masters, Misc Config, Other Masters, Product Definitions, Product Setup, Regulatory Product Defi..., Project Setup, Config Manager, Warehouse Master (which is highlighted with a clock icon and a checkmark), and Transactions. The main content area is titled 'Warehouse Master' and features a search bar with the text '>diffy\_Amazon\_Description|', an 'Export' button, and a table header with columns: Action, Description, Address, Country, State, City, Zip Code, Phone 1, Fax, E-mail, Contact Person, Status, and Current Stage. Below the header, the table is empty, and a status message reads 'Showing 0 to 0 of 0 entries'. A blue circular button with a gear icon is located in the bottom right corner of the main area. The top of the interface includes the AZENTIO logo, a hamburger menu, and user profile information (Engl..., LOS, Aze...) next to a user avatar.
