The screenshot displays the AZENTIO ONEBanking application interface. On the left is a blue sidebar menu with options: Dashboard, Configurations, Transactions, Application manager, Customer details, Customer details Islamic, Customer identification details, Customer address details, Application Details, Facility Details, and Customer employment. The main area shows an 'Inbox' table with columns: Action, Reference Id, Event Code, Stage Code, Role Code, Employee Name, Created Date, Workflow Code, and Product. The table contains 10 entries, with the first entry (Reference Id: 10738) highlighted. At the bottom, it says 'Showing 1 to 10 of 90 entries' with pagination controls.

The screenshot displays the 'Customer details' form in the AZENTIO ONEBanking application. The interface includes a top navigation bar with the AZENTIO logo, a search menu, and various utility icons. A left sidebar contains a menu with options like Dashboard, Configurations, Transactions, Application manager, and Customer details. The main content area is titled 'Customers Information' and features a 'Personal Details' section. This section contains multiple input fields for customer information, including Customer Type, Applicant Type, Salutation, First Name, Last Name, Father's Name, Spouse's Name, Date of Birth, Gender, Marital Status, and Education Level. The form is organized into a grid layout with labels and input fields. A 'Prev' button is visible at the top left of the form, and a 'Next' button is at the top right. A 'Initiate Video KYC' button is also present in the top right corner of the form area.
