(F) Check the functionality of Living
Expenses Master

The screenshot displays the AZENTIO ONEBOOKING application interface. On the left is a blue sidebar menu with options: Dashboard, Configurations (Project Master, Notification Master, Report Master, Target Master, Business Division Master, Approval Reviewer Level Matrix, Income Group Definition, Facility Type, NPA Identification, Classification Master, Living Expense), Transactions, and Reports. The main area shows an 'Inbox' table with columns: Action, Reference Id, Client Name, Event, Workflow, Employee Name, Stage Code, Stage Desc, Role Code, Created Date, and Approver Role. The table contains 10 rows of data, all with a 'BPM Two Stage Workflow' event and a 'maker' role. The bottom of the table shows pagination: 'Showing 1 to 10 of 673 entries' with a page selector set to 1.
