java.Scenario)

(S) Product Master - While modification,  
user verify proper validation message for  
blank field

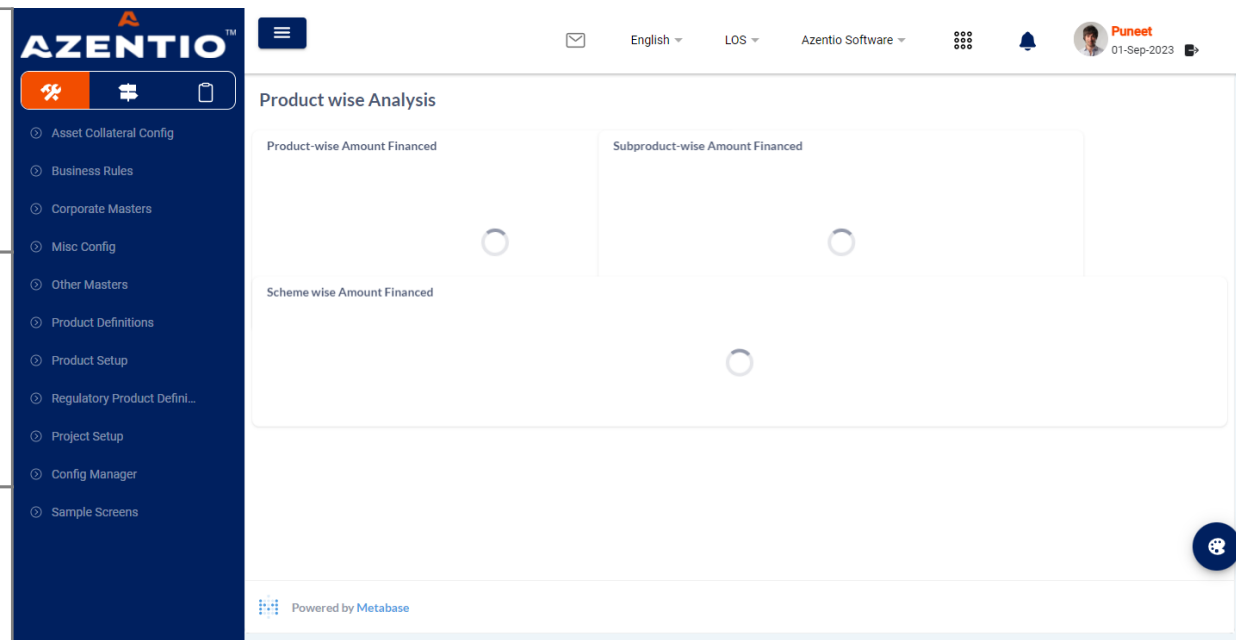

(F) Check the functionality of product  
master

The screenshot shows the Azentio Product Master interface. On the left is a dark blue sidebar with the Azentio logo and a list of navigation items: Asset Collateral Config, Business Rules, Corporate Masters, Misc Config, Other Masters, Product Definitions, Product Setup, Asset Auto Master, Asset CD Master, Product master (highlighted), Sub Product Master, Regulatory Product Defini..., Project Setup, and Config Manager. The main content area has a top header with a hamburger menu, language (English), location (LOS), software (Azentio Software), and user profile (Puneet, 01-Sep-2023). Below the header is a 'Product Master' section with a search bar and an 'Export' button. A table lists product entries with columns: Action, Product Group, Product Code, Product Description, Retail/Corporate, Status, and Authorization Status. The table contains five rows of data, all with 'Active' status. At the bottom of the table, it says 'Showing 71 to 75 of 169 entries' with pagination controls. A blue circular icon with a gear symbol is in the bottom right corner.

Action	Product Group	Product Code	Product Description	Retail/Corporate	Status	Authorization Status
	98303275	depo31	Ok	R	Active	
	98303275	depo30	desc11	R	Active	
	98303249	122		C	Active	
	98303249	dd		R	Active	
	98303249	A		R	Active	

(Step) AFTER\_STEP - stepdefinitions.  
HooksClass.addScreenshot(io.cucumber.  
java.Scenario)

(S) Product Master - While modification,  
user verify proper validation message for  
blank field

(F) Check the functionality of product  
master

The screenshot shows the Azentio Product Master form view. The sidebar is the same as in the previous screenshot. The main content area has a top header with the same navigation and user information. Below the header is a 'Product Master' section with a back arrow and a 'Product Master' title. The form contains several fields: Product Group (Deposits), Product Code (depo30), Product Description (empty), Retail/Corporate (Retail), DM Code (depo30), Status (toggle switch), and Remarks (depo30). There are 'Submit' and 'Cancel' buttons at the top right. A blue circular icon with a gear symbol is in the bottom right corner. A dark blue button at the bottom says 'Please fill all the details'.

Product Group: Deposits

Product Code: depo30

Product Description:

Retail/Corporate: Retail

DM Code: depo30

Status: ☒

Remarks: depo30

Please fill all the details

(Step) AFTER\_STEP - stepdefinitions.  
HooksClass.addScreenshot(io.cucumber.  
java.Scenario)

(S) Product Master - While modification,  
user verify proper validation message for  
blank field

(F) Check the functionality of product  
master

The screenshot displays the Azentio Product Master form. The left sidebar contains a navigation menu with options like Asset Collateral Config, Business Rules, Corporate Masters, Misc Config, Other Masters, Product Definitions, Product Setup, Asset Auto Master, Asset CD Master, Product master (highlighted), Sub Product Master, Regulatory Product Defini..., Project Setup, and Config Manager. The main form area is titled 'Product Master' and includes fields for Product Group (Deposits), Product Code (depo30), Product Description (blank), Retail/Corporate (Retail), DM Code (depo30), and Status (toggle). A 'Required field' message is shown above the Product Description field. A 'Remarks' field is also present. At the bottom, a blue banner displays the message 'Please fill all the details'.
