The screenshot shows the Azentio Product Master interface. On the left is a dark blue sidebar with the Azentio logo and a list of navigation items: Asset Collateral Config, Business Rules, Corporate Masters, Misc Config, Other Masters, Product Definitions, Product Setup, Asset Auto Master, Asset CD Master, Product master (highlighted), Sub Product Master, Regulatory Product Defini..., Project Setup, and Config Manager. The main content area has a top header with a hamburger menu, language (English), LOS, Azentio Software, and user profile (Puneet, 01-Sep-2023). Below the header is a 'Product Master' section with a search bar and an 'Export' button. A table lists products with columns: Action, Product Group, Product Code, Product Description, Retail/Corporate, and Status. The table contains five rows of data, all with 'Active' status. At the bottom, it says 'Showing 1 to 5 of 113 entries' with pagination controls.

Action	Product Group	Product Code	Product Description	Retail/Corporate	Status

java.Scenario)

(S) Product Master - to check the  
functionality of list view buttons of  
approved records

(F) Check the functionality of product  
master

This screenshot is similar to the first one but with a search filter 'desc30' applied in the search bar. The table content remains the same. A blue circular icon with a gear symbol is visible in the bottom right corner of the interface.
